RE: Deadline Extended for President's Select Applications

President's Select ambassadors serve the university in many ways and are often the first interaction visitors and prospective students have with Texas Tech University. President's Select members exemplify the core values this institution strives to instill in its young people.

Applications are now being accepted for current undergraduate students to join President's Select, and I ask you to encourage outstanding students to apply for membership. Through their participation in this important organization, students gain valuable communication, decision-making, and leadership skills, all of which will benefit them in their futures.

We appreciate you taking the time to share this opportunity with students you feel exemplify the inherent values and qualities at Texas Tech. Thank you for your assistance.

The deadline to submit the application is Sunday, January 29, 2023. Please visit our [website](#) to read more about President's Select and view the application.
