RE: TUF Town Halls Scheduled

As we begin a new year, planning continues regarding the utilization of the [Texas University Fund](#) (TUF). We are evaluating and prioritizing our investments in faculty, staff and students and supporting infrastructure and services.

We have scheduled two town hall meetings to communicate guidelines for the TUF, how these funds will support research and scholarly activities and our aspirations to achieve characteristics of membership in the Association of American Universities.

We look forward to sharing this information and receiving your feedback.
